We invite newcomers to join us and those who have been away to rejoin us!

New Parishioners

Peg Hines-RAS Treasurer

There will be a Tridentine Mass today (Sunday, June 17) at 12:30.

Thank you to Jessica Miller for her faithful service as president of the Parish Council! Welcome to Billie Buehrer who will be taking over the position at the new term. We appreciate you accepting the calling for this ministry leadership role.

Calling all High Schoolers and young adults! (incoming Freshman through college) It has been a couple of years since we have had an active group to participate in the *Catholic Heart Work Camp* mission trip...this is a life changing ministry where you take a week during the summer months to serve those in need. Right now we are trying to see how many would be interested in participating next summer in a trip (also looking for adult chaperones!). Please prayerfully consider if this is a ministry that you would want to take part in. Once we have determined if this is something we want to pursue for next summer, we will look at dates and locations. Turn in your information in the collection basket or bin outside of the office.

Dear Padre

June 17, 2018

I try to be responsible in my Christian duty to visit the sick. While my visits have good intentions, I often feel they aren't well received. Please advise.

I commend you for your commitment in carrying out your Christian duty. Saint Rose of Lima said, "When we serve the poor and the sick, we serve Jesus" (*Catechism of the Catholic Church*, 2449). Works of mercy, such as visiting the infirm, "are charitable actions by which we come to the aid of our neighbor in his spiritual and bodily necessities" (CCC 2447). When we perform these works, the primary focus is on the recipient, not on how these acts make me feel good about myself or how I appear before God and others.

My advice for visiting the sick at home or in the hospital is to avoid showing up unannounced, whenever possible. (I offer this advice after my unexpected visit to a patient in the ICU, who never appeared in public without her wig.) Also, observe verbal and nonverbal signs on how long to stay. Some patients may appear bored or lonely and are open to guests; others are in pain or they've been awakened throughout the night and desire rest more than greeting visitors for a prolonged time. Ask yourself: Are the sick being polite in keeping *me* company? Am I the latest guest asking them to repeat their diagnosis? Do they really feel like praying right now? While the sick appreciate our concern, visiting them is most beneficial when we're acutely sensitive to *their* needs.
