Parish Mission Statement

For all who enter; we at St. Peter are a community who believe Jesus Christ is the center of our lives. We are committed to live life in relationship with each other; we strive to heed the call to reach out and touch the lives of people. We invite newcomers to join us and those who have been away to rejoin us!

New Parishioners

A warm welcome as you enter our Parish Community! You are asked to register at the parish office as soon as possible, 419-446-2150. If you are moving from the parish, please inform the office so we may remove your name from our parish roster.

Sacrament of Marriage

Initial arrangements are to be made 6 months prior to the actual wedding day. The Diocesan policy is to allow sufficient time for the couple to make adequate preparation to receive the sacrament. Please call the rectory to make arrangements or Deacon Larry.

Sacrament of Baptism

If someone is to be baptized, please call Fr. Stanbery. All parents must attend pre-baptism sessions for their first child. Call the rectory to make arrangements, 419-446-9288 or Deacon Larry (419) 966-7091.

Rite of Christian Initiation of Adults

Having questions about the Catholic faith? Thinking of joining the Catholic Church? You can learn more by attending our Rite of Christian Initiation of Adults (RCIA) sessions. Classes start each fall. Call Fr. Stanbery at 419-446-9288

Ohio ICE Raids

There have been recently several ICE raids on landscaping/flower companies near the Sandusky Ohio area. According to the Defiance Crescent News workers there were employed under a false identity. However you feel about these issues, people/families of the arrested are in need of money for clothes, food, etc. If you would like to donate funds for this help you can send a check to Norwalk St. Paul Parish and mark "Immigration Outreach" on the "memo."

Some data...The photographs on TV of children behind fences along the border were taken in 2014. According to the Defiance Crescent (Sunday, June 24) raids on businesses started in the Clinton administration and arrests increased dramatically in his second term.

The Bishop encourages you to contact your Congressman and Senator for Comprehensive Immigration Reform.

New Supreme Court Justice

1.3 million innocent children seeking to emigrate from the womb into the world are yearly legally murdered at or near entry. There is a real chance to end the redefining of humans as non-human with the ending of this slaughter if a pro-life person is added to the Supreme Court. Write the President and congress (both houses) to get a strong pro-life Judge on the court. Children are crying for your help.

Calling all High Schoolers and young adults! (incoming Freshman through college) It has been a couple of years since we have had an active group to participate in the *Catholic Heart Work Camp* mission trip...this is a life changing ministry where you take a week during the summer months to serve those in need. Right now we are trying to see how many would be interested in participating next summer in a trip (also looking for adult chaperones!). Please prayerfully consider if this is a ministry that you would want to take part in. Once we have determined if this is something we want to pursue for next summer, we will look at dates and locations. Turn in your information in the collection basket or bin outside of the office.

YES, I AM INTERESTED IN PARTICIPATING IN THE CATHOLIC HEART WORK CAMP~2019

Dear Padre

July 15, 2018

Recently a genetic testing kit became available. Does the Church have any teaching on these tests?

In principle the Church is not opposed to genetic testing. The number of tests available seems to rise almost daily. The critical issue from a moral standpoint is what we do with the information that is gained.

Any use of the information to harm people would be judged immoral—for example, using genetic information to detect Down syndrome in a fetus with the subsequent abortion of a developing life. Another example would be using genetic information against people seeking employment or health insurance.

Another concern is the impact that genetic testing results might have on the person receiving it. For example, a person may wish to know if he carries the gene for Huntington's disease, an illness that will surface in his life if he has the gene. There is no cure for this debilitating disease. However, the information may assist him in preparing himself and others for the time when the disease will manifest itself.

In other instances, however, genetic information may lead to prevention and treatment of disease. Such testing would allow spouses to know if they carry a particular gene, for example, associated with cystic fibrosis. A couple finding themselves carriers of the gene should bear this in mind as they make decisions about responsible parenthood.

Summarizing, information obtained from genetic testing holds promise and potential peril. The dignity and life of persons should guide judgments about the morally acceptable use of genetic information.
