Ohio ICE Raids

There have been recently several ICE raids on landscaping/flower companies near the Sandusky Ohio area. According to the Defiance Crescent News workers there were employed under a false identity. However you feel about these issues, people/families of the arrested are in need of money for clothes, food, etc. If you would like to donate funds for this help you can send a check to Norwalk St. Paul Parish and mark "Immigration Outreach" on the "memo."

Some data...The photographs on TV of children behind fences along the border were taken in 2014. According to the Defiance Crescent (Sunday, June 24) raids on businesses started in the Clinton administration and arrests increased dramatically in his second term.

The Bishop encourages you to contact your Congressman and Senator for Comprehensive Immigration Reform.

New Supreme Court Justice

1.3 million innocent children seeking to emigrate from the womb into the world are yearly legally murdered at or near entry. There is a real chance to end the redefining of humans as non-human with the ending of this slaughter if a pro-life person is added to the Supreme Court. Write the President and congress (both houses) to get a strong pro-life Judge on the court. Children are crying for your help.

Calling all High Schoolers and young adults! (incoming Freshman through college) It has been a couple of years since we have had an active group to participate in the *Catholic Heart Work Camp* mission trip...this is a life changing ministry where you take a week during the summer months to serve those in need. Right now we are trying to see how many would be interested in participating next summer in a trip (also looking for adult chaperones!). Please prayerfully consider if this is a ministry that you would want to take part in. Once we have determined if this is something we want to pursue for next summer, we will look at dates and locations. Turn in your information in the collection basket or bin outside of the office.

# Dear Padre

July 8, 2018

***I am troubled with doubts of faith and find these thoughts very frightening. Have I lost my faith? Please help me.***

It's not a sin to have these worries and doubts. I've seen this kind of thing happen to very good, holy people. Some of the saints went through terrible periods of darkness when everything they believed in seemed to be gone. Saint Thérèse of Lisieux said several times that her faith seemed to have vanished, that her prayers seemed to be going nowhere. So you are not alone.

Saint Alphonsus recommends that a person hounded by such doubts should not try to argue with them in the heat of battle, but rather should "run away"—that is, make a brief act of faith and try moving on to something else, get involved in some distracting activity. Temptation or doubt will likely persist, but don't believe these dark feelings. The devil is the father of lies. He is trying to make you think you're lost when you're not. By making you upset and agitated, he keeps you from prayer and other good deeds.

To sum up, when a doubt arises, say a short prayer such as "My Lord, I believe in you, I hope in you, I love you." Once you've said a little prayer, you can ignore the temptation even if it keeps roaring in your head. Remember that the Lord can read your heart and knows that you don't want to offend him, but rather to love him with your whole heart.
