THE CATHOLIC CHRISTIAN COMMUNITY OF ST. PETER

All are kindly invited to spend time in prayer before our Lord in the Most Blessed Sacrament imploring him to heal all abuse victims, to reform the hierarchy and clergy, and to cleanse the Church of all evil. The Most Blessed Sacrament will be exposed on Friday, September 14, the Feast of the Exaltation of the Holy Cross, beginning at 8 a.m. and concluding with Benediction at 4 p.m.

Please write to Most Reverend Daniel E. Thomas to encourage a full investigation of sexual abuse and immoral behavior for the healing of all victims. C/O of Diocese of Toledo, 1933 Spielbusch Avenue, Toledo, Ohio 43604.

Dear Padre

September 2, 2018

I enjoy going to the casino to gamble, but I have seen people gamble and lose all of their money. Is gambling considered a sin?

To play games of chance, to bet on horse or dog races, or to buy lottery tickets are, in and of themselves, innocent undertakings that can be sources of fun—and even financial returns. But circumstances can change an innocent game into something morally suspect, even downright wrong. When a person gets so involved with gambling that it becomes addictive, when the welfare of the gambler and the gambler's family is jeopardized, gambling ceases to be a harmless amusement. Instead, it becomes an irresponsible practice—indeed, objectively, a sin. The sin lies in the neglect of one's responsibilities to self, family, and God.

The *Catechism of the Catholic Church* says this about gambling: "Games of chance or wagers are not in themselves contrary to justice. They become morally unacceptable when they deprive someone of what is necessary to provide for their needs or those of others. The passion for gambling risks becoming an enslavement" (CCC 2413).

A survey of a local group of Gamblers Anonymous highlights the potential destructive nature of this activity. Within this group, the gambling addiction has led 22 percent to divorce, 40 percent to lose their jobs, 49 percent to steal money with which to pay their gambling debts, and 63 percent to contemplate suicide. Hopefully, we and others will seek healthier ways to relax or seek out our fortunes.
