Dear Padre

July 21, 2019

Our son and his fiancée, both Catholic, are talking about getting married in the Church. What are recent changes since our daughter's wedding a decade ago?

The rite, now called *The Order of Celebrating Matrimony*, was revised in 2016 for weddings celebrated in English within the United States. Some of the changes at a Mass when two Catholics marry include:

- An expansion of Scripture selections to choose for the celebration, with at least one reading explicitly speaking of marriage
- The addition of the Gloria (sung or recited)
- An assembly's response following the couple's reception of consent
- After the final blessing, the marriage record may be signed in the sacristy or in the presence of the assembly (but not on the altar)

Moreover, adaptations include the English translation of the texts to accompany the optional use of the *arras* (coins) and *lazo* (veil) for one or both spouses with Hispanic or Filipino cultural backgrounds.

"A Marriage that is desired, prepared for, celebrated, and lived daily in the light of faith is that which is 'joined by the Church, strengthened by a sacrificial offering, sealed by a blessing, announced by Angels, and ratified by the Father....How wonderful the bond of the two believers: one in hope, one in vow, one in discipline, one in the same service!....Indeed, they are two in one flesh; where there is one flesh, there is also one spirit'" (*The Order of Celebrating Matrimony*).
