Families, Schools of Human Growth

That families, through their life of prayer and love, become ever more clearly "schools of true human growth."

Dear Padre

August 18, 2019

Why do we ask the saints to intercede for us with God?

In Job 42:8, the Lord encourages Job's friends to seek his intercession on their behalf. Then in 1 Thessalonians 5:25, St. Paul asks Church members in Thessalonica to pray for him and his missionary companions: "Brothers, pray for us." In neither the New nor Old Testament is there a concern that it might be inappropriate to ask living members of one's faith community for support in prayer before God.

Therefore, if we believe the saints are "living" members of our community, why would we not ask for their prayerful support just as we do the flesh-and-blood members of the community we can see and touch?

Christ is the one true mediator between God and humans, but Christ calls us into a community of faith. Prayer with the saints celebrates and builds this community that God delights in working through and in. To ignore the saints is to deprive ourselves of gifts that God freely chooses to give.

We hope to be in communion with the saints forever. At this time, we strengthen our fellowship with them through prayer.
