# Dear Padre

August 25, 2019

**Why would God establish laws and feast days for Jews and suddenly change them?**

Scripture can explain this. God didn't suddenly change laws and feast days, but followed a consistent plan, with the Old Covenant leading to the New Covenant.

Genesis tells us that Adam and Eve were given life to walk with God in Eden. From eternity it was God's intent to gather humanity into one family in a relationship of love. With Abraham the covenant was extended: "I will make of you a great nation....All the families of the earth will find blessing in you" (Genesis 12:2-3). Moses led the tribes from Egypt to Mount Sinai. Here God renewed and strengthened the covenant, giving the Hebrews the Ten Commandments as a guiding light to all. Then, through centuries of hardship, God sent prophets to call people back. These prophets promised God would send a savior in a covenant that would last forever: "I will be their God, and they shall be my people" (Jeremiah 31:33).

Jesus was the Savior foreseen in Genesis 3:15 who would crush Satan's head. He was the one promised by the prophets, the King in David's line (Luke 1:32-33) who would establish God's New Covenant offering salvation to all.

Jesus wasn't part of a sudden change of plans, but the completion of God's design to invite everyone back into the family love and intimacy first offered to Adam and Eve. The laws and feasts, prophecies and psalms of the Old Covenant foretold Christ. —Fr. Oscar Lukefahr, CM
