October is designated as "Respect Life Month."

Each one of us can be messengers of God’s mercy to the world, wherever we find ourselves, with the people we encounter every day. To be pro-life is not only to defend life. It also means to help heal and restore the life around us. For we live in a broken world, where people are crying for mercy and do not understand what it truly means to be loved.

**October - Fast for Holy Families-WEEK TWO**

**Fast**

You might choose other works of charity or exercises of piety to take the place of fasting and abstinence. This week do extra household chores, or tackle some of the chores that you dislike the most.

**Pray**

Visit Jesus in Adoration. When was the last time you visited the Adoration Chapel? When was the last time you went to Adoration as a family? If it’s been a while, this fall would be a wonderful time to visit Jesus together. If you are worried about your kids being too noisy and rambunctious during this time of prayer, try to find a local children’s Adoration hour. These types of hours are specifically geared towards young children, and involve vocal prayer, songs, and guided times of silence. -from FamilyRosary.org

**Reflect**

A virtue is a habitual and firm disposition to do the good. Mary and Joseph would have taught the Christ Child how to pray and act. In the home, he learned generosity and kindness. The home of Nazareth reminds us that families have the responsibility of teaching their children the Faith and to model the virtues. How can you model the virtues in a deeper way in your home?

# Dear Padre

**As a recovering heroin addict, do I need to go to reconciliation to confess my addiction? Addiction is a disease, not a sin. Right?**

Right, but addiction and actually using drugs are two different things. As you know, recovering addicts who don't use drugs are still addicts, and that in itself isn't a sin. But it's against the law to use heroin in the United States, so even if you never committed a secondary crime to get it, getting it was a crime.

More important, though, the body is a temple of the Holy Spirit, and it's a sin to abuse ourselves in any way. Even if it weren't against the law, your use of heroin is certainly an abuse of your body.

The sacrament of reconciliation is more than just receiving absolution for sins. It also helps us look more deeply at our lives. Before you go, examine your conscience: Ask yourself how your addiction has affected your body, your life, your relationship with God, and the welfare of others.

If you bring honest answers to those questions as well as an open heart and an open mind, your conversation with your priest at reconciliation will help you heal your relationship with God and others. You will also receive the grace to improve your life and do things like overcome addiction so you can be a better person.
