Twenty-first Sunday in Ordinary Time  
Weekend of August 21-22, 2021

In today's Gospel, we hear that a number of Jesus' followers left him because his message was too difficult for them to accept. In essence, they did not believe in him. He then asked the Twelve if they wished to leave as well. Peter responds by making a profound profession of faith in Jesus as Lord and Savior. The Twelve made a choice and stood by their choice, remaining loyal to their commitment to Jesus. A good question for our reflection might be this: Are we satisfied with the stewardship we exercise over our baptismal commitment? Are we just "along for the ride?" Are we keeping Christ in front of us as we make decisions about our daily activities, our relationships, our parish, issues in the workplace, issues such as peace and justice? What is the quality of our stewardship?

# Dear Padre

August 22, 2021

**My husband has vascular dementia and is unable to make an examination of conscience. Part of the anointing of the sick involves the confession of sins, so will it be valid when he receives it?**

If circumstances permit, the sacrament of anointing of the sick may be preceded by the sacrament of penance and followed by the sacrament of the Eucharist (*Catechism of the Catholic Church*, 1517).

However, when conditions such as your husband's don't allow this, judgment on the suitability for anointing is to be made prudently and without scruple (*Pastoral Care of the Sick*, 8). For example, anointing is conferred on people who have lost consciousness or the use of reason if, as Christian believers, they would have "at least implicitly asked for it when they were in control of their faculties" (PCS 14). Therefore, because of the degree of brain-function loss in this circumstance, the sacrament of anointing also absolves any sins.

When a habitual desire to die as a faithful Catholic is implied before a person's illness, the special grace of the sacrament of anointing has this as one of its effects: "the forgiveness of sins, if the sick person was not able to obtain it through the sacrament of Penance" (CCC 1532).
