

# EUCCHARISTIC ADORATION

We need more people to sign up for *Tuesday Eucharistic Adoration*. We have a wonderful group of people who have been dedicated to their hour on this day...however, things in life come up and illnesses and injuries unexpectedly happen. If we had people to partner up at a shift or are willing to sub when the occasion is needed, our Lord would never have to be alone!

Please prayerfully consider taking part in this ministry. Look at your schedule... Are you able to fit in *one* hour? Lent is the perfect time to start!
