Burger Bash

The Community's Burger Bash is returning to Archbold's Ruihley Park on Sunday, May 15 serving from 11-1. Please stop in to enjoy a burger and make the world a better place.

The free-will donations will fund two critical projects in Haiti. Local cattle feeders have an on-going relationship (and a board seat) with Growing Hope Globally, the international organization that not only sends money to areas in need, but knowledgeable people to work and walk beside community members. The Haiti project aims to improve agricultural practices to create healthier crops and animals for a brighter tomorrow.

Fifth Sunday of Easter
Weekend of May 14/15, 2022

In today's Gospel Jesus makes a bold and clear statement to his disciples. "I give you a new commandment: Love one another. As I have loved you, so you also should love one another. This is how all will know that you are my disciples, if you have love for one another." We are called to love others as a sign of our discipleship in Jesus Christ. That includes even those "others" we might prefer to forget. We are so often tempted to draw lines between those who we will love and those who we consider not worthy of our love. This week take time to reflect on Jesus' love command. How often do we heed Jesus' love command? What change in our lives must take place in order for us to obey this command

Congratulations to our students who made their Confirmation today!

Dear Padre

May 15, 2022

My aunt tells her husband he shouldn't watch a certain TV show. She says it's an "occasion of sin." What is that?

Occasions of sin are people, places, or situations that can easily lead a person to sin or give the individual an opportunity to commit a sin. There are two types: remote and proximate (or "near").

If the attraction is not strong or has only a small probability of leading to sin, the occasion is remote. Remote occasions of sin are always around us, and we have no obligation to try to avoid them.

If the attraction is powerful or the probability of its leading to sin is great, the occasion is called proximate. Saint Alphonsus suggested that if a person sins four out of ten times in a particular situation, that situation should be regarded as a proximate occasion of sin.

Proximate or near occasions of sin are further classified as *necessary* or *voluntary*. A necessary proximate occasion cannot be avoided or can be avoided only with great difficulty—for example, an occasion associated with doing one's job or being in prison.

A voluntary proximate occasion is freely and voluntarily entered. We must avoid voluntary proximate occasions of grave sin. Among the many means at our disposal for avoiding occasions of sin, the sacraments of reconciliation and Eucharist have pride of place. Prayer and self-discipline also help.
